HEADLAND CENTURY	ww wb wo sw sb	HEADLAND SWIFT	ww wb wo sw sb	Mantrac 500/Mantrac DF		Zintrac 700	
HEADLAND CHOICE	ww wb wo sw sb	HEADLAND TRINITY	ww wb wo sw sb	Master Magnesium & TE			
HEADLAND CLASSIC	ww wb wo sw sb	Liquid Mantrac		Master Manganese Plus			

This tank-mix summary sheet provides information in addition to what appears on product labels. Dow AgroSciences supports the safety and efficacy of its products for tank-mixes shown as Physically and Biologically Compatible, but does not warrant the efficacy of other tank-mix partners. Where only Physical Compatibility or Sprayable with Continuous Agitation is shown, Dow AgroSciences has no biological data regarding efficacy or crop safety and only supports the compatibility, so growers use these mixes at their own risk.

For tank-mixes of more than two products which are not specifically listed, only what is known about the products when in two-way mix is shown, users must make their own judgment about the more complicated mixes which they may choose to use at their own risk. Similarly, a number of products are shown which have been replaced by more recent formulations for which tests have not been carried out. However the information is included for the user to draw their own conclusions.

Important Note: tank-mixes should only be made within the label recommendations of every product in the application.

**USE PLANT PROTECTION PRODUCTS SAFELY. ALWAYS READ THE LABEL AND PRODUCT INFORMATION BEFORE USE.
